

## Ideation Phase

### Define the Problem Statements

Date	23 May 2025
Team ID	LTVIP2025TMID55905
Project Name	BookNest: where stories nestle
Maximum Marks	2 Marks

#### Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

<b>I am</b>	Describe customer with 3-4 key characteristics - <i>who are they?</i>	Describe the customer and their attributes here
<b>I'm trying to</b>	List their outcome or "job" the care about - <i>what are they trying to achieve?</i>	List the thing they are trying to achieve here
<b>but</b>	Describe what problems or barriers stand in the way - <i>what bothers them most?</i>	Describe the problems or barriers that get in the way here
<b>because</b>	Enter the "root cause" of why the problem or barrier exists - <i>what needs to be solved?</i>	Describe the reason the problems or barriers exist
<b>which makes me feel</b>	Describe the emotions from the customer's point of view - <i>how does it impact them emotionally?</i>	Describe the emotions the result from experiencing the problems or barriers

#### Example:

I am	I'm trying to	But	Because	Which makes me feel
a college student, budget-conscious, and short on time.	buy a book online quickly and affordably for my upcoming assignment.	I find the website hard to navigate, the book is sometimes out of stock, and checkout takes too many steps.	the site doesn't have clear filters, stock updates, or guest checkout options.	frustrated, anxious about missing deadlines, and less likely to return to the store.

<b>Problem Statement (PS)</b>	<b>I am (Customer)</b>	<b>I'm trying to</b>	<b>But</b>	<b>Because</b>	<b>Which makes me feel</b>
PS-1	A busy book lover	Discover and buy books online that match my interests	I can't find a platform that feels like a bookstore experience	Most sites are cluttered, generic, and not personalized to my taste	Frustrated and disconnected from my reading passion
PS-2	An avid reader from a small town	Access a wide variety of books and get fast delivery	Delivery is delayed and book options are limited	My location and preferences are not prioritized by most online sellers	Ignored and dissatisfied with my reading options
